**JUNE & JULY**

## Summer Events

### Be Creative!

Children in grades K-4 are invited to join our summer reading program "Be Creative." They may pick up a reading log, track their time spent reading, and qualify for an incentive reward. Wednesday programs "Fun at 1:00" start June 10th, and continue through July. See schedule of programs on next page.

### Our Community Reads

Thursdays at 6:00 p.m. June-July

Have you ever wondered what bankers, judges, and policemen read when they were young? Now you can find out. During the summer, community leaders will be sharing their favorite childhood books as well as talking about what reading means to them. We will also take field trips to see where the community leaders work. Join us at the library at 6:00 p.m.! See schedule of presenters on next page.

### Math Wiz Club

Tuesdays at 3:00 June & July

Math Wiz Club is open to students in grades 1-12. This club will show students just how fun math can be, while increasing their skills.

### Tech Time

Schedule to be announced

Students, are you boggled by blogging? Curious about creating pod casts? Wondering about web design? Then this summer's Tech Time classes are for you! Mr. Jason will be teaching computer classes all summer long. Please check with the library for more information.

### Spanish & English Story Time

Spanish teacher Evangelena Riveros Davenport will join Mr. Jason at the Friday, 11:05 story time on June 5th. Children and parents will hear stories and learn songs in both English and Spanish.
